

Annex B Annual Work Plan 2016/2017 (in accordance with the MSC's Fishery Assessment Methodology)

SLBSC FIP Activities in accordance with the MSC's Fishery Assessment Methodology (v2.0)	FIP Member	Partner / Associate	2016												2017			
			A	M	J	J	A	S	O	N	D	J	F	M	J	F	M	
A. SLBSC Fishery Assessment (2013)	SEASL	NFI CC																
3 rd Party Independent Assessment of the Fishery	FIP	SWP																
B. SLBSC FIP Design & Development (2014 -)																		
Review, revision and updating FIP documents	SEASL	NFI CC																
Publication of the SLBSC News Bulletin	SEASL	NFI CC																
Principle 1: Biological Status of the SLBSC Fishery																		
1.1 SLBSC Resource Stock Status; Stock Status relative to RPs; Stock Rebuilding Plan																		
3rd Annual SLBSC Stock Assessment using LBSP Approach																		
Gulf of Mannar - Puttalam	FIP	SEASL																
Bay of Bengal - Mannar	FIP	SEASL																
Bay of Bengal - Kilinochchi	FIP	SEASL																
Bay of Bengal - Jaffna	FIP	SEASL																
Stock Status Assessment based on Historical Catch Data																		
2 nd data collection	SEASL	NFI CC																
Data analysis and reporting	Regulator	NFI CC																
Study of mortality and growth parameters of SLBSC																		
Field Data Collection	FIP	??																
Data Analysis	Regulator	??																
1.2 SLBSC Management Harvest Control Rules & Tools; Harvest Strategy: Information & Monitoring; Assessment of Stock Status																		
HCR&T Strategy Design	FIP	NFI CC																
HCR&T Consultations	FIP	NFI CC																
HCR&T Voluntary Implementation	FIP	NFI CC																
HCR&T Monitoring & Evaluation	FIP	NFI CC																
Assessment of Stock Status	MBA SW	MBA SW																
Principle 2: Ecological Impacts of the SLBSC Fishery																		
2.1 Primary NTS / 2.2 Secondary NTS / 2.3 ETP Species Outcomes, Management, Information																		
3rd Independent Non Target Species Assessment																		
Bay of Bengal Fishery - Jaffna	UWU	NFI CC																
4th Independent Non Target Species Assessment																		
Bay of Bengal Fishery - Kilinochchi	OU	NFI CC																
2.4 Marine Habitats / 2.5 Marine Ecosystems																		
Outcomes, Management Strategy, Information																		
1st Independent Marine Habitats & Ecosystem Assessment																		
Design	UoC	NFI CC																
Field Data Collection	UoC	NFI CC																
Analysis & Reporting	UoC	NFI CC																
Principle 3: Management of SLBSC Fishery																		
3.1 National Governance & Policy Legal and or Customary Framework / Consultation, roles & responsibilities / Long Term Objectives																		
Review of governance & policy pertaining to SL fisheries	Regulators	NFI CC																
3.2 Fishery Specific Management System Fishery Specific Objectives / Decision making processes / Compliance & Enforcement / Monitoring & Performance Evaluation																		
NWP Province SLBSC fishery in - Fishery Management Plan																		
Design	FIP	NFI CC																
Consultations	FIP	NFI CC																
Institutional development	Producers / Regulators	??																
Voluntary implementation	FIP	FIP																
SLBSC FIP Principle 4 Social & Economic Equity																		
4.1 Cooperative / Enterprise Development																		
Puttalam FCSU	Producers	NFI CC																
Mannar FCSU	Producers	??																
Kilinochchi FCSU	Producers	??																
Jaffna FCSU	Producers	??																
4.2 Fairtrade																		
Gap Analysis (Review / recommendations on Decent Work)	Producers / Processors	ILO UN																
FairTrade USA	??	FT USA																
Adoption of Fairtrade labelling by the SLBSC fishery?	Producers / Processors	??
